Gardeners' Creativity in Australia - 1

This parade of images from the Garden Clubs of Australia annual photographic and calendar competitions celebrates the diversity and beauty of Australian gardens.

Need a little gift as a thank-you gesture? Need something different for a visit to someone's home? Need a treat for someone? Yourself? Need a Christmas stocking filler? Or do you want to immerse yourself in superb photographs of Australian gardens, flowers and wildlife? Well, here's an idea for you!

The Garden Clubs of Australia Inc. has produced an A5 size, neat 40 page booklet of entries into the 2014 – 2017 GCA Photographic and Calendar Competitions.

The booklet celebrates not only the beauty and diversity of Australian gardens, but showcases the talents of over 50 photographers from garden clubs Australia-wide.

A clear example is the cover of the booklet, seen left, showing the talents of photographer Fiona Lambell from Killcare Heights GC, NSW who captured this striking image of a colourful lorikeet greedily feasting on gum blossom nectar.

***Gardeners' Creativity in Australia* is priced at only \$10.00 plus \$2.20 postage to anywhere in Australia.**
