

## GUIDELINES FOR THE GARDEN CLUBS OF AUSTRALIA INC MAJOR AWARDS

The Garden Clubs of Australia Inc. (GCA) encourages all affiliated clubs to nominate a member/s of their club, their own club or a young gardener for an annual award.

### Award nominations for each year close on 31<sup>st</sup> May of that year.

- It is essential to read the criteria listed in the award category – this will assist with completing the nomination.
- The GCA’s Judging Panel (the members of which will remain anonymous) will take into account the achievements and attributes of the nominee or club in relation to the criteria for the selected category. The judges will choose a winner between the nominees, as there is only one winner in each category.
- Each nomination should be no more than two A4 pages in total. It must be typed as a separate attachment to an email and done in Calibri 12 for ease of reading by a person of any age. Achievements can be listed in point form. A separate form is required for each nominee.
- GCA will require permission from winners for their photos to be posted on the GCA website and published in the GCA’s quarterly magazine *Our Gardens*. Photos must be supplied at the time of nomination and permission needs to be given then. Photos should be on a separate attachment in JPEG form.

### Please note: the GCA reserves the right to:

1. Place nominations into a more appropriate category than originally submitted.
2. Not to confer an Award for a particular category in the current year.
3. Embargo all names of Award Winners until after the announcement at the GCA AGM.

The Judges’ decision is final and no correspondence will be entered into for any category. Nominees will be anonymous for the judging process. The Judges will also remain anonymous. Previous winners of ANY category are not eligible to renominate for a period of five years. Non-winners may renominate as they wish.
